My beloved friend Sam Rodriques from Salinas got called to Heaven yesterday to make Heaven even a Happier place to be for Eternity. Sam was a member of the Salinas Club, and the Gilroy Club, and loved participating in one loft races. Wherever Sam went, he brought his sense of humor, kindness and his loving spirit with him. What I will miss most about Sam is watching him greeting and talking with people. He always had a special smile that let you know he cared about what you had to say. To his Lovely Wife and fellow Pigeon Flyer Phylis and Sam's Entire Family I am so very sorry for your loss. Thank you, Sam, for making my time with you a very special gift to me. Love You pete
