From Bill Milestone:

Gentlemen,

I am sad to report that our dear friend and fellow flyer Frank Martinez, of San Carlos, has passed away. Frank had deep local memories and was always happy to share them. He was one of the last crewman to keep pigeons aboard a US Navy ship. He served as president the Mid-Peninsula Club and, for many years, as our SFR Band Chairman. A memorial service will begin at noon on Monday, June 30 at the American Legion Post 105 in Redwood City and proceed from there to Heaven's Gate Cemetery in Los Altos.

Peace,

Bill
